

COLD WAR ERA PROJECT GUIDELINES

Students gain a clearer understanding of the Vietnam Era only if they have knowledge of the events and policies leading up to the Vietnam War. Teamwork is encouraged. (Teams of two to three students seem to work best.) Student mini-projects relating to the Cold War may include some of the following topics:

Alicia and Catherine present the Rosenberg Trial.

Part I. Research. Choose one of the following topics to research:

CIA	Bolshevik Revolution
FBI	John Foster Dulles / Brinkmanship / Massive Retaliation
NATO	Korean War and Korean War Memorial
Marxism	Chinese Revolution (1949) / Mao Tse-Tung
SEATO	The Suez Crisis / Eisenhower Doctrine
Truman Doctrine	Sputnik and America's Reaction
Marshall Plan	Berlin Airlift
Warsaw Pact	Berlin (Crisis/Wall)
Nikita Khrushchev	McCarthyism
The Rosenbergs	The Domino Theory
The U-2 Incident	Bay of Pigs
Cuban Missile Crisis	<i>Topic of your choice (with teacher approval)</i>

Part II. Resources: At least 3 sources must be used (a variety). Proper bibliography required.

Part III. Oral Presentation. The following requirements must be met:

1. A detailed outline **MUST** be turned in, as well as a bibliography (in proper format) including three (3) or more resources. You must also turn in five (5) test questions based on your presentation with the answers for those questions.
2. A poster, video presentation or skit must also be part of your presentation.
